

# LEVELS OF CARE

## RESPITE

Whether you are planning a vacation, travelling or simply need a break. Elite Care's respite options are the perfect solution for providing your loved one with the individual care they need.

- Customized care plan based on evaluation
- 24/7 Caregivers and Licensed Nursing Staff
- Medication administration
- Transfer capabilities by trained staff
- Fully furnished one bedroom/one bath suite
- Home-cooked meals prepared by onsite chef
- Amenities including our pet-friendly policies, outdoor walking paths, and daily activities.
- 30 Day Minimum

STARTING AT  
**\$6750**/MONTH

## ASSISTED LIVING

Our comprehensive, around-the-clock care is personalized and carefully planned around each resident's needs and preferences. Our staff is trained to care for residents with different health needs, including individuals with dementia or memory issues.

Base rate care services include:

- 24/7 hour on-site monitoring allows for independence and safety.
- One-bedroom suite with private bathroom and living room.
- Laundry and housekeeping
- Robust activity program: exercise, special events, gardening, outings, and much more.

**\$5850**/MONTH

## PERSONALIZED CARE SERVICE

Care is personalized and carefully planned around each resident's personal needs and preferences. Care costs are calculated based on the services provided at \$56 per hour of care, rather than an anticipated level of care.

- Grooming and Dressing
- Bathing
- Incontinence and Bathroom Assistance
- Diet and Eating
- Medication Administration
- Transfers/Mobility Assistance
- Transportation

**\$56** /HOUR
