LET THE BRIGHTSTAR FAMILY
CARE FOR YOURS.

When you or a loved one faces a challenge, you need the services only an industry leader can provide. BrightStar Care is here to make life easier and allow you to live it to the very fullest.

BrightStar Care offers the full continuum of care, including childcare, staffing and support services. Individuals, families and facilities alike look to BrightStar Care for more –

People who care MORE. Caregivers who give more of themselves to their work; who are committed to the highest standards of integrity, quality and reliability; who don't simply care for families, but become a part of them.

A MORE professional approach. A care-based business model that provides our caregivers with access to a registered nurse 24 hours a day – ensuring the health and wellbeing of those in our care.

MORE availability and accessibility. Services that make life easier – empowering independence, giving families around-the-clock service and support, and providing healthcare organizations with the qualified clinical professionals they need at a moment's notice.
