## *Our Care*

### **Enhanced Assisted Care**

Personal care and support services, staffed 24 hours-a-day. Farmington Square offers higher than average care-staff to resident ratios allowing us to provide for residents with higher levels of care.

### **Transitions™ Care**

Flexible program designed to meet the ever-evolving personal care needs of those displaying the initial signs of memory loss. As one's needs become more advanced, so does the level of care we provide.

### **Memory Care**

Secured environment and services designed to minimize the impact of symptoms of Alzheimer's or other forms of dementia.

## Care Services

Our goal at Farmington Square is to care for each resident's needs while maintaining the highest level of choice, dignity, privacy, respect, and individuality.

To assure that this is done effectively, a personal assessment is conducted prior to move-in and at regular intervals thereafter. Residents, family members, and the Farmington Square staff work together to develop an individually-tailored service plan.
