

Charles Beals Plaza

STATE-OF-THE-ART HEALTH SUITES

Spacious private suites designed for privacy and independence in a supported setting.

Residence Features:

Light and Nature:

- Natural light and fresh air from the nearby Hess Creek Canyon bring the outdoors in.
- State of the art lighting allows the correct amount of light at the right color temperature for optimal health and sleep.

Enhanced Living:

- All private alcove and one-bedroom suites with accessible showers, small kitchens, washers and dryers and more.
- Public spaces on each floor will include large kitchens with adjacent outdoor balcony seating for informal and planned gatherings. Balconies face Hess Creek, host to abundant and ever-changing wildlife.
- A full-service dining room on the top floor overlooks the canyon on one side and a new park-like community gathering space on the other.
- Residents who live at Beals Plaza have their choice of dining experiences campus-wide.

Safety and Support:

- All spaces are designed for people with a variety of abilities and clinical needs. Wheelchair storage and charging will be available at each suite's entry.
- Wireless nurse call technology.
- For residents whose mobility is extremely limited we have suites with built-in ceiling lifts.
- Our spa room includes a bather and built-in ceiling lift for safety and maximum comfort when needed.
