

Clackamas, Oregon

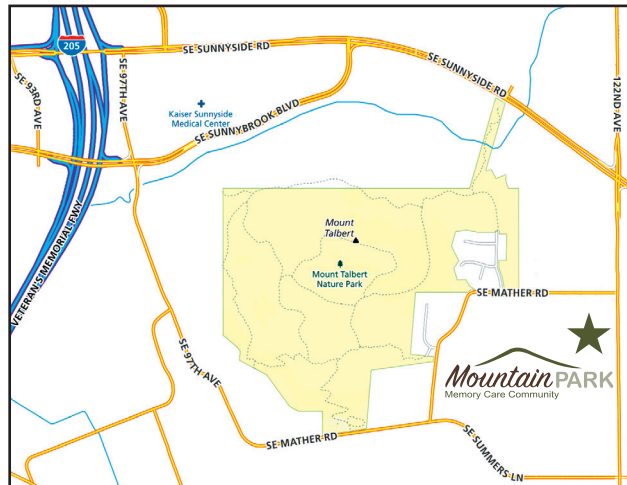

Our goal at
Mountain Park
is to provide a safe and inspiring
environment for our residents and
to accommodate their unique
needs. This state of the art
community is built with separate
neighborhoods to allow us to focus
on each memory care resident.

 Like Us on Facebook

Mountain Park offers a beautiful community environment with programs designed to keep your loved one active and involved. We will assist you in making the move-in process as easy as possible. We will work with your family, your loved one and their physician to make the move to Mountain Park as smooth as possible.

Mountain Park

At Mountain Park, our goal is to provide the highest quality of life for each of our residents. Our memory care community is dedicated to our philosophy of social, psychological, spiritual and physical well-being for every individual.

This dedication is reflected in the effort our community makes in caring for our residents. Our intent is to allow each resident to function independently, at their level of ability, while providing care and assistance when needed.

Dining

At Mountain Park, we strive to provide a memorable and nutritious dining experience for our residents. In addition to three nutritionally balanced meals and alternatives, utilizing locally sourced and seasonal ingredients whenever possible. For those residents who need assistance managing specific elements of their nutrition, we offer modified diets.
