

## Our Core Values

Wellspring Home Health Center, embraces the following core values held by the Home Office and demonstrated by our commitment to our patients:

To treat each other with dignity and respect.

To honor God in all we do.

To encourage growth in ourselves and others.

**Our mission** is to provide professional and high quality services to clients in their homes by assisting them achieve the highest level of potential in their day-to-day self-care activities. We are committed to providing high quality care by professionals who recognize the need for comprehensive assessment of needs from both the client and professional's point of view.

**We approach** all patients as individuals, carefully assessing all medical conditions and needs before assigning a caregiver. Upon completion, we develop an individualized plan of care and assign a professional that best matches the needs of the client.

**We are dedicated** to rehabilitating aged and disabled individuals within the confines of their residence, in order that they may maximize their contributions and fulfill their goals as a family member and member of society with a minimum of conflict.

**Our goals** and services are based on two fundamental philosophical principles: the belief in the innate worth of the aged and disabled individual and the belief that each individual, regardless of age, race, color, creed, sex, national origin or handicap(s) is entitled to maximize his potential as a human being and as a member of society.

**Our Passion** at Wellspring Home Health Center is to treat every patient like family.
