Impeccable Commitment to Care

"I want to thank your agency for the fine, caring service you have provided for Chuck and our family. Lisa's care for Chuck, her attention to details, and her commitment to everything to do with his care was, at all times, impeccable. Thank you from the bottom of my heart."

—Carolyn B., Olympia

Our Promise To You

We are committed to providing each client with quality, affordable home care. We promise to respect and protect the rights of each person and family we serve. We dedicate ourselves to caring for each of our clients with the same thoughtfulness and sensitivity as we would any member of our own family, offering encouragement, support and an attentive ear. And finally, we pledge to provide care with a personal touch, doing those extra things that can often mean so much.

Steady, Caring & Supportive

"I wanted to tell you again how satisfied - no, how tremendously appreciative we are of all the work that Sally does for us. My mother often comments on how lucky she is to have Sally as her caregiver - someone so steady and caring and supportive."

—Pat R., Puyallup

"Serving South King, Pierce, Thurston, Mason, Lewis & Grays Harbor Counties."

Advanced Health Care is proud to be a member of and actively involved in the home care industry – to share information with other home care agencies and learn about best practices throughout the industry and the country. We work responsibly to promote educational and informational programs as well as high standards of excellence in home care services. Our staff has participated in the board of directors on the Washington Private Duty Association as well as the Home Care Association of America.

**Serving Home Care
Needs with Compassion**

We're Here For You

Thank you for taking the time to learn more about Advanced Health Care. We are grateful for the opportunity to help you explore your home care options and hope you can sense the compassion and high level of care that our company offers. Locally owned and operated since 1984, we are honored to have served thousands of families right here in Western Washington. Although you have many good options to consider when choosing home care, we are confident you will discover our unique approach to serving your needs.

Why Choose Advanced Health Care?

- Licensed home health agency serving South Puget Sound residents since 1984
- Locally owned company, providing care to all ages
- Serving clients 24 hours a day, 7 days a week, including holidays and weekends
- Nursing Supervisor and staff available to assist you after normal business hours & on weekends
- Responsive to emergent needs. We do most admissions within 24 hours or same day, if needed
- Highly trained, screened, credentialed and compassionate home health caregivers and nurses
- Services include basic companionship to acute complex care
- Serving clients in any setting – skilled nursing, assisted living, hospital or home
- Employees supervised and trained by our registered nurses
- Complimentary nurse assessment
- Continuous nursing oversight including ongoing monthly nurse visits at no charge
- Nursing supervisors work closely with physician and family to provide customized care
- You choose the time and frequency of the care; hours can range from 1 hour to 24 hours a day
- Competitively priced, high-quality service

Our Services

Home care is a trusted solution that allows loved ones to remain safe and comfortable in their own homes. Our services support a wide range of needs – from basic care and household assistance to more complex nursing care.

Nursing Assistants (Caregivers)

Our caregivers can assist with many services in the home. They also specialize in disease-specific care. Typical care may include:

- Companionship
- Personal Care
- Housekeeping/Meals
- Mobility/Transfers
- Medication Assistance
- Memory/Dementia Care
- Bedbound Care
- End of Life Care

Nurses

Our skilled nurses (LPNs and RNs) provide medical care for clients whose needs extend beyond the scope of a caregiver. Nurses and caregivers may work together as part of the home care team, or alone, if skilled nursing is the only service requested.

- Medication Management/Administration
- Tube Feedings
- Bowel and Bladder Programs
- Wound Care
- Infusion

Transportation Services and Recovery Care

Many people find they need a little help following surgery, injury or illness. Advanced Health Care specializes in short-term recovery care – whether you need a few days or a few weeks. We also provide transportation services to and from medical appointments and procedures without obligation for additional care. Confidential and cost-effective, our caregivers will wait during the procedure and ensure you arrive home safely, without inconveniencing family or friends.

Our Employees

We pride ourselves in having the best caregivers and nurses who are:

- Licensed, bonded and insured
- Background checked
- Credentialed by the Washington State Department of Health
- Trained and supervised by our RN Supervisors

When a client needs a higher level of care than our nursing assistants can provide, we offer registered or licensed practical nurses who can care for their needs.

Affordable Home Care

We provide the best possible services at competitive rates and receive reimbursement from a variety of sources including:

- Private Pay
- Long-Term Care Insurance
- Trusts & Guardianships
- Workers' Compensation
- Veterans' Benefits
- Others

Call 24/7 & Ask About Free Nurse Assessment

Call us today at 1-800-690-3330 to find out more about how our home care services might fit your needs. We look forward to speaking with you.

Skilled Nursing Services

Licensed practical nurses (LPNs) and registered nurses (RNs) provide skilled and complex nursing services for our clients. Services may include but are not limited to:

- Clinical assessment and evaluation
- Medication management and administration
- Bowel and bladder care
- Diabetic care and management
- Injections
- Infusion therapy
- Central line and port maintenance
- Tracheotomy and ventilator care
- Lab draws
- Wound care/dressing change
- Tube feeding
- Ostomy care
- Prevention and treatment of skin issues
- Pain management
- End of life care
- Other services as needed
