ATLAS NORTH

REAL ESTATE GROUP

Who We Are

Headquartered in SW Portland, our team specializes in helping buyers and sellers achieve their real estate goals throughout the Greater Portland Metro Area & SW Washington.

Our team consistently ranks in the top 1% of Realtors in the Portland area.

Our philosophy is that we can transform 'clients' into 'advocates' by leveraging strong communication skills, proving our intense dedication, and providing stellar customer experiences.

We want to know our clients on a personal level so that we can provide meaningful and stress-free experiences to them during what will likely be the largest purchase or sale they ever make. We accomplish this by educating our clients; we want them to feel empowered to make the best decision for their future, and we never pressure anyone into a decision they aren't ready to make.

We are dedicated to the growth of our team. We are passionate that everyone, from agents to admin, learn and grow both professionally and personally. It is part of who we are.
