CUSTOMER TESTIMONIALS

"Husky Senior Care was immeasurably helpful when my father was being released from the hospital. Matt Long, the Director of HSC, responded to my call quickly, offered a variety of services and hours, and began coverage immediately upon my Dad's return home. The caregivers were all extremely personable and professional and allowed me to return to my usual routine. Thank you Husky Senior Care!"

~ Julie B.

"This is in reference to your employee A.L. who is taking care of M.B. I just wanted to tell you what a fabulous employee she is. She is always early, always attentive. I have known M.B. for 40 years. This is the best person I have ever seen take care of her."

An Invitation

I personally invite you to try a unique approach to staying home: Husky Senior Care's Stay Home Alternative.

I received my Undergraduate and Graduate Degrees from the University of Washington and then worked for fifteen years in Senior Housing. I found working with the Greatest Generation to be very fulfilling. I also saw the difficulties that seniors face when told they have to leave their homes.

We provide a strong ally for seniors who want to stay home. We combine a high caliber of employee with an organization that shares your values, and I think you will be pleased with the results.

I invite you to call us to find out more!

Sincerely,

Matthew Long
