

The future of home care is here.

Home Instead®, an Honor company, offers the world's largest home care network and the easy-to-use **Family App** to help you stay informed and feel confident about your loved one's care.

Utilizing Honor's technology, the **Family App** provides the missing link for family members to stay informed and involved from a distance.

Benefits of the Family App include:

- Schedule Visibility**
- Detailed Care Notes**
- Visit Reminders**
- Care Pros Arrive Prepared**
- 24/7 Support**

Our local team is ready to support your in-home care needs.

Serving Tacoma, Gig Harbor and the surrounding area.

Home Instead has been a proud member of the community, providing quick access to top-rated home care.

We are honored to serve those who served.

Home Instead is an authorized provider in the VA Community Care Network.

The care you need for the life you want.

IN-HOME CARE

(253) 943-1603

The right care starts at home.

Here's why so many families choose us:

Qualified & Trusted Caregivers

Care Pros are background-checked, safety trained and matched to each client's needs.

Customized Care Plans

We partner with you to create a personalized care plan that grows and adapts as your needs change.

Flexible & Consistent Care

Help during the day, overnight, or on weekends? Our flexible care options support your family's schedule and evolving needs.

Matches Made to Last

Because strong relationships lead to better care, we take time to find a Care Pro who's the right fit.

Proven Expertise

Each Care Pro is supported by experienced home care advisors, gerontologists, and specialists.

A photograph of a caregiver, a woman with dark curly hair wearing a green polo shirt and a tan jacket, assisting an elderly woman with white hair and glasses. The elderly woman is using a silver walker. They are walking on a path outdoors with lush green plants in the background.

Comforting care for the journey ahead.

From making a meal to helping a loved one with memory loss, our services and approach to home care help older adults in the area age comfortably and confidently at home.

PERSONAL CARE

Help with bathing, dressing, and daily personal care needs.

RESPIRE CARE

When families need a chance to rest, recharge, and reconnect.

IN-HOME MEMORY CARE

Support for dementia and memory-related care needs.

CHRONIC CONDITION SUPPORT

Personalized support for safe, comfortable living at home.

END-OF-LIFE CARE

Compassionate care, guidance, and family support at life's end.

24-HOUR CARE

When you need home care day and night we're there.

COMPANION CARE

Kind conversation or a shared laugh can help ease isolation and uplift spirits.

HOSPITAL-TO-HOME CARE

Care at home that supports recovery and can help avoid readmission.
