

CREATING A

World of care for all

What is home care?

Home care connects highly-skilled, non-medical caregivers with people who need care at home. Caregivers can perform a variety of tasks, from personal assistance with activities of daily living such as bathing, grooming and dressing, to companion care to prevent isolation and loneliness, to support with light housekeeping, meal preparation and errands and transportation.

Who is SYNERGY HomeCare?

At SYNERGY HomeCare, we understand that people are happiest and healthiest where they are most comfortable—in their own homes. Established in 1999, SYNERGY Home Care has been the fastest growing home care provider in the nation for the past five years. With hundreds of independently-operated locations across the U.S., our network of compassionate in-home care experts wholeheartedly supports people of all ages and abilities, wherever they call home. We are proud to have earned the distinction as a Home Care Pulse Best of Home Care Endorsed National Provider, for consistently delivering the highest standards of care for our clients.

OUR MOST POPULAR SERVICES INCLUDE:

SENIOR CARE & COMPANIONSHIP

From companionship to around-the-clock care, we offer a wide range of home care services for seniors, so they can confidently live life to the fullest, wherever they call home.

SPECIALIZED CARE

We support individuals who are living with physical, intellectual, developmental, or sensory disabilities, chronic health conditions, and more.

MEMORY CARE

We bring together the best tools and resources, along with caregiver talents and specialized training, to deliver a customized home care solution for those experiencing Alzheimer's Disease or another form of dementia.

HOSPITAL-TO-HOME CARE

We provide personalized transitional care focused on safety and healing for people of all ages who are recovering at home following illness or surgery.

VETERAN HOME CARE SERVICES

We're committed to providing Veterans and their families with exceptional in-home care. And with the vast majority of our locations being contracted with the VA, we make it easy to use your VA benefits.

RESPIRE CARE FOR FAMILY CAREGIVERS

We support hard working family members by offering a much-needed break from the daily routine of caregiving while providing the peace of mind that comes from knowing your loved one is receiving the best possible care.

What makes SYNERGY HomeCare different?

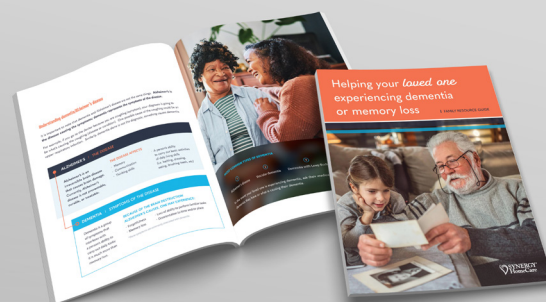

At SYNERGY HomeCare, we build connections and forward momentum in people's lives. We call it the SYNERGY Effect. We believe our purpose is to provide the best care possible. Equally important is helping people feel, see and experience more in their lives. Whether your loved one needs a little bit of help or a lot, the care they receive compassionately serves their immediate needs. But it can also have long-lasting effects that improve their lives in ways they never expected.

- Locally owned and operated.
- Quality care – Our caregivers are direct employees—we don't rely on independent contractors to provide care. All caregivers pass a background check and are trained prior to providing services.
- Flexible and affordable – We can create a customized care plan suitable to most budgets—from a few hours a week to around-the-clock care.

We're proud to serve as a trusted advisor to family caregivers by providing education, outreach, and care resources to the communities we serve.
