A Personal Note from the Owners

After caring for our own parents, we learned how important the right care partner is. That's why we're proud to bring Acti-Kare's family-centered approach to our community

The Acti-Kare Support Team

Since 2015, Acti-Kare has built a legacy of treating each client like family - the same way we'd want our own parents to be treated.

We know this journey isn't always easy. Let our family help yours find the right care solution.

“

Acti-Kare is a wonderful in-home care agency. They provide loving, responsible care for my aging mother. They go above and beyond. I highly recommend them as your source for compassionate and diligent home care.
