

Transitioning to Penrose Harbor at Heron's Key

Supportive Care.
Familiar Comfort.
Peace of Mind.

Assisted Living • Skilled Nursing • Memory Care

At Heron's Key, we believe that safety and dignity are not just priorities—they're promises. As your needs evolve, Penrose Harbor offers a seamless transition to personalized support and compassionate care, all within the trusted community you already call home.

ASSISTED LIVING

Support that honors your independence.

In our intimate setting of just 36 one-bedroom apartments, you'll receive discreet assistance with daily activities like medication management, meal preparation, and more. This is Independent Living with supportive services, designed to help you live fully and safely, in a space that's easier to navigate and truly your own.

MEMORY CARE – The Lighthouse

Dignified care for every stage of memory loss.

At The Lighthouse, we provide person-centered memory care in a recently renovated space featuring 13 private suites. Every resident is met with respect, empathy, and individualized care, fostering meaningful connection in a safe, nurturing environment designed for comfort and calm.

SKILLED NURSING & SHORT-TERM REHAB

Professional care with heart and purpose.

Whether recovering from surgery or needing ongoing support, our 30 private suites offer a restful place to heal. With a dedicated team of nurses and therapy professionals, we support residents with higher levels of care, always emphasizing safety, privacy, and compassion in everything we do.

As an Independent Living resident, you have priority access to Penrose Harbor. There's no need to leave the community you love—just the peace of mind of knowing your safety, dignity, and wellbeing will always be at the heart of your journey.
